

Validator Thermal Validation

- Validator AVS
- Validator 2000
- Validator Accessories

ValProbe Thermal Validation

- Wireless Process Validation & Monitoring System
- Cryo Temperature Logger
- Combined Temperature Pressure Logger
- Dual Loggers
- Freeze Dryer Logger
- Insulating Canister
- Single Reader
- Measuring Shelf Temperature Uniformity in a Lyophilizer

RF ValProbe Wireless Monitoring

- RF ValProbe Thermal Validation System
- RF ValProbe Thermal Validation System Quick Guide
- RF ValProbe Steam in Place Application
- RF ValProbe & LabWatch Wireless Integration
- Wireless Technology in a GMP Environment

Environmental Monitoring

- LabWatch LT Environmental Monitoring System
- LabWatch Laboratory, Warehouse and Stability Monitoring
- LabWatch Monitoring, Alarming and Reporting System
- LabWatch Multi-Temperature Channel RF ValProbe
- LabWatch Demo Video (please disregard GE branding in this video)

Reference Standards

- Ice Point Reference
- IRTD User Manual

Calibration Baths

- LTR-90 Ultra-Cool Dry Block Calibrator
- Temperature Standards - Stable Uniform Heat Sources

Accessories

- Kaye Validator Accessories

Services

- Calibration & Maintenance Service Solutions Rental
- Thermal Validation Rental Solutions

Pharmaceutical Solutions

- Solutions for Pharmaceutical & Biotech Industries
